

X35 WM 2012 IN BADALONA

↘ The days before the competition, in an approximate date from the end of the Copa del Rey in Palma (16-21 July) until the Championship (24 August), the price of the moorings of Marina Badalona will be subsidized by a 70% regarding the current rates of Marina Badalona (on the water and also on the dry dock).

MOORINGS

Length	Beam	Current rate moorings month	Current rate moorings day	70% bonus month	70% bonus €day (may to Setember)
12	4	358,01	24,28	107, 40	7 ,28

DRY DOCK

Length	Beam	Current rate dry dock month	Current rate dry dock day	70% bonus month	70% bonus
12	4	336,96	12	101,08	3,06 €/day

(prices in € without prior warning)

↘ From August 25th until August 31st, days in which there will be competition, all the X-35 fleet will be moored on the West Dock, all together in one basin. The moorings are free.

↘ The stay of the fleet displaced on land (specially, the Nordic fleet and the one coming from the influence area of the Adriatic Sea) will be subsidized by a 100%, even the days in which there is no competition.

↘ Regarding the movements with the travel, the registration in the championship includes the complete movement (rise and fall) to weight the ship. During the stay of the boats in Marina Badalona, there will be discounts of 25% for other movements (derived from the development of the competition or because improvements may be made).
