

Dear X- 35 Sailors,

The Royal Norwegian Yacht Club (KNS) is honoured to host the X-35 European Championship 2012. The event will be held on the island of Hankø, in the Oslo fjord.

KNS was founded in 1883 and Hankø has been main venue for international regattas in Norway for the last hundred years. Our cooperating clubs are Fredrikstad Yacht Club on race management and Hankø Yacht Club (HYC) as land base and social arena. HYC was founded by sailors from KNS 50 years ago with the aim to attract international sailing at what they considered to be one of the best race courses in the world.

The sailing will take place just off the island in open water, where wind and sea conditions are quite predictable. In the afternoon the sea breeze normally fills in, which makes for great sailing. After a day on the fjord we will gather at the HYC for refreshments and daily first prize giving. The organizers will provide a good social agenda for all involved. The X-35 sailors will have first priority to prime berths at the club and rooms in the local hotel, which is located 300 meters away.

The Royal Norwegian Yacht Club welcomes you all to great experiences both on and offshore.
